Part II Organizational Action Attach additional statements if needed. See back of form for additional questions.

14 Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action ▶ The Northern Institutional Funds-Intermediate Bond Portfolio merged into Northern Funds Fixed Income Fund through the acquisition by Northern Funds Fixed Income Fund of all the assets of The Northern Institutional Funds-Intermediate Bond Portfolio in exchange for voting shares of beneficial interest ("shares") of Class A shares of The Northern Institutional Funds-Intermediate Bond Portfolio and the assumption by Northern Funds Fixed Income Fund of all liabilities of The Northern Institutional Funds-Intermediate Bond Portfolio followed by the distribution by The Northern Institutional Funds-Intermediate Bond Portfolio of those shares pro rata to its shareholders in complete liquidation of The Northern Institutional Funds-Intermediate Bond Portfolio. The merger of The Northern Institutional Funds-Intermediate Bond Portfolio into Northern Funds Fixed Income Fund qualifies as a tax free exchange within the meaning of Internal Revenue Code Section 368(a).

The exchange is based on the number and value of shares outstanding at the close of business on October 29, 2012.

15 Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis ▶ A shareholder's aggregate basis in the share of Northern Funds Fixed Income Fund he/she received in exchange for his/her shares of The Northern Institutional Funds-Intermediate Bond Portfolio will be the same as his/her aggregate basis in shares of The Northern Institutional Funds-Intermediate Bond Portfolio. The number of Northern Funds Fixed Income Fund shares that were received for each share in The Northern Institutional Funds-Intermediate Bond Portfolio given up in the exchange is as follows:

1.936114 Northern Funds Fixed Income Fund Class A shares for one The Northern Institutional Funds-Intermediate Bond Portfolio Class A share

16 Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates ▶ There was no change in aggregate basis as a result of the above described organizational action. The per share basis calculations are based on the respective NAV's of the target fund and the acquiring fund at the close of business on the date of the merger. NAV's are valued primarily based on the FMV of the underlying assets.
